Description: The aeroscouts of the 1st Infantry Division had three words emblazoned on their unit patch: Low Level Hell. It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle. The Outcasts, as they were known, flew low and slow,...

Review: There are many reasons why you should read this book. Firstly it gives you a view into working a light helicopter at low altitudes in a wild and dangerous world of combat in the late 60s, I love helicopters and like the way Mills talks directly to the process of flying. It inspires my imagination takes you to a point of holding the throttle and collective...
